

# SPS-TL

## SPS-TL 400

|                              |                    |
|------------------------------|--------------------|
| Model Name                   | SPS-TL400          |
| Nominal Diameter             | DN 400             |
| Pressure [mH <sub>2</sub> O] | 4                  |
| Weight [kg]                  | 16                 |
| Frame                        | EN 1.4404 AND HDPE |
| Operating Rod                | EN 1.4404          |

|                       |                                 |
|-----------------------|---------------------------------|
| Operating Temperature | -25° C - +40° C                 |
| Seal against wall     | EPDM Foamseal                   |
| Sealing against gate  | EPDM                            |
| Sliding Plate         | EN 1.4404                       |
| Watertightness        | DIN 19569-4 table no. 1 class 5 |

## Product Variants

|                                                                            |           |
|----------------------------------------------------------------------------|-----------|
| Name                                                                       | V26076400 |
| Weight [kg]                                                                | 16        |
| CO <sub>2</sub> Equivalent (CO <sub>2</sub> e) [kg CO <sub>2</sub> e/unit] | 96.4      |
